Last week to observe classes

Parents may sit in on current classes this week. It is a great way to get a feel for a teacher's style. Please hold your questions until after class so teachers can focus on their current students.

6 more weeks!

Can you believe we're down to the last 6 weeks of classes?! Thanks to everyone for contributing to the community by doing your job each week. Thanks to those who have found subs when they couldn't be there. Thanks to those who have stepped in to help when they've seen a need. We couldn't do this without you!

It's almost time to register!

You should have received an email with instructions about online registration. If you did not, please email homeschool.connections.reg@gmail.com for assistance.

Spring is here... almost

As it gets warmer outside, please remind your student drivers to be especially aware of other students in the parking lot. Also remember to stay in the allowed areas of our campuses. We rent specific spaces to use and need to respect the agreements with our churches. On Wednesdays, we are not allowed on the grass areas as there is a septic system located there.

To Study Hall we go

When students are not in a class, they need to be with a parent or in study hall. Loitering in hallways, with or without parents, disrupts classes. Thanks for being where you need to be!
