## You're scaring me!

Please do not walk through the landscape beds at Woodinville Alliance. It damages the plants. It also scares the church's office staff as their windows overlook some of the beds and they often look up to find a person just outside their window.

## It's Overflowing

The lost and found bins do not travel from Monday's location to Wednesday's location. This means we have TWO bins and both of them are filling up! Please take a moment to check them for any of your family's lost items.

## Thankful for YOU!

The board would like to thank all of you for being active in our community and making Connections a great place to, well, CONNECT! You are needed and appreciated more than you know!

week of November 04, 2018

## Daylight Savings Reminder

Remember to turn your clocks back one hour on Sunday so you don't show up for classes one hour early!

## Were You Alerted?

Last Wednesday you should have received a text that read "(HSCONNECTIONS) Test, you would receive this if there was an emergency." If you did not get it, please stop by the Welcome Table to update your cell phone number. If it had been a real emergency, how would you have responded? If you ever receive an emergency text while not at Connections, please let that be a reminder to pray for those on site!

## Lunch and Learn

Please join us during lunch on Monday (room 228) and Wednesday (Imagine Cafe) to learn about College Planning and Funding presented by Jon Alejandro. Jon is a licensed registered representative with Transamerica Financial Advisors. His specialty is in educating families to become financially secure.
